In foothills of the Blue Ridge Mountains 90 minutes from Atlanta, Habersham County is home to seven municipalities. The diverse population offers warm hospitality to visitors to this beautiful section of Georgia. The natural beauty and our distinct four seasons attract many tourists. We are fondest of our many hiking trails and water falls. Tallulah Falls, home of Tallulah Gorge, attracts thousands of visitors each year. The gorge, about 2 miles long and 1,000-feet deep, has been called the "Niagara Falls of the South."
